Don't write anything about
your good luck in the future,
or your success, happiness or
intestinal fortitude, all I
recommend is the complete
evacuation of the incliatic
circle and the total
exclusion of regurgitating

Class History

Four years ago the Senior Class began in high school as shy, eager freshmen. Some were initiated, others were not. It is hard to understand how they escaped it. In this class of forty-six members, only thirty-seven are left to be graduated. In our beginning year we were assisted by our sponsor, Miss Nell Hill. She helped us with some wonderful parties.

In our Sophomore year it was tough especially for those who had six subjects. We had lost only a few of our members. Miss Hill was again our sponsor.

Walking into our Junior year was walking into something new and different. We had larger and more responsibilities. Our sponsor was Mrs. Orator Shaw. Our banquet and prom was one of the best! Everyone had a wonderful time. Fried chicken with all the trimmings!

The Senior year has been the most wonderful of all. We gave a Carnival at Halloween, and a Christmas party for the Juniors. In return they will send us on our way with a banquet and prom.

The Senior Class of 1946-1947 wants to thank both teachers and parents for being so very considerate in trying to give us an education. We realize we are just beginning in life

Our aim: success

Our hope: to win
